

Thank you for completing the project. You have done really well. Your overall score is 94%. Kudos!

Here is how your submission has been graded. We hope you find it useful and helpful for your future submissions.

Parameter	Score	Comments
Parameter: Recall:	3	The learner has successfully recalled the main and branching terms and concepts.
Parameter: Comprehension:	3	The learner has successfully drawn a visual representation of the main and branching terms and concepts and the relationships between them.
Parameter: Analysis/Synthesis:	2	The learner has employed analytical skills and shows a clear understanding of the interrelationships between the concepts at hand.

Areas of Strength: (These are practices you should continue doing)

- You have successfully covered all the questions.
- You have good understanding of the subtopic at hand.
- You have just hit all points and answers correctly, it looks like it was a very successful checkpoint and subtopic for you.
- Spotify business model is very compelling and is definitely a good choice.

Areas of Improvement: (These are practices you should start doing)

- You could make the example of Spotify business model more live , specified and clear by adding some unique and out of the box features.

Additional Comments:

Overall , it's a good business model.
Thank you for your efforts :)
Looking forward for your next submission
Stay Fantastic and Keep Learning!

Keep up the great work! And looking forward to receiving your next submission :)
